Our Group Opportunities Include:

Life Point Groups...are weekly groups that you can do life together with other Grace Point members and guests involving weekly study, fellowships, group care, prayer and mission service opportunities. For many, this was also known as Sunday School groups. Come join one of our great Life Point Groups.

Discipleship Groups...are seasonal Biblical topical driven studies that assist believers in learning more about their faith in Christ and growing deeper in their walk with Christ. There are also multiple levels of service involving leaders/facilitators, learners, mentors and those being mentored.

Mid-Week...are opportunities on Wednesdays for all ages to come and join in on multiple great evening experiences. There are preschool, kids, student, as well as an Adult Bible Study/Prayer gathering led by Pastor Phil located in the Café.

Sunday Morning...Join us for worship at 10:00am. Preschool and Children have age appropriate Life Point Group gatherings also at 10:00am. Be sure to arrive a little early to be able to check them in at the Kids Welcome Desk.
